WORK EXPERIENCE

Lamya Jewellery, Milan, Italy

March 2023 - July 2023

- Partnered with many developers remotely to create the first Web3 Jewellery web app in Decentraland for trading Jewellery NFTs
- Created engaging UI components for NFT minting, authentication, marketplace, and dashboard using React and Web3

BnB Tech Pvt Ltd, Jaipur

June 2022 - Feb 2023

- Built UI web apps with a maintainable codebase using React resulting in a 30% reduction in bug reports.
- Collaborated with design and backend team to deliver products
